

The **NATIONWIDE POKER TOUR**, the Premier Free Poker Tour in the Country, is now the most **AFFORDABLE** and **FLEXIBLE!**

For a fraction of the price that other poker companies charge you can offer your players the opportunity to be a part of a worldwide poker community and play for incredible prizes.

With two flexible payment options, you can take control of your poker nights and run as many tournaments as you like, whenever you like.

Start spending your money on your customers the way you want, instead of funding tournaments and prizes for patrons of other venues.

For just \$150* A MONTH, or a one time payment of \$1,200 for the year (THAT REPRESENTS A \$600 SAVINGS!) you get poker in your venue and **a guaranteed seat for one of your players in the 2010 NPT Championship with a \$100K Progressive Prize Pool.** With the one time payment option, if you run just one poker night a week that is less than \$25/night, 2 poker nights a week is less than \$12/night, and so on!

Want to offer even more to your players? You can purchase up to 4 additional seats to the 2010 NPT Championship at just \$650 each to give your players even more incentive to be at every poker night you host. And, the number of seats you hold multiplies player's points. More seats, means more points for your players, boosting their standings in the nationwide Player Of The Month and Year standings.

The NPT started operations in 2004 as one of the first free poker tours in the U.S. and has always maintained the reputation as the most professional. **We've given out well over \$1,000,000 and had over 250,000 people participate in our poker tournaments.** We will be there to guide you through every aspect of running poker tournaments in your venue.

If you're running your own tournaments now keep running them.

Simply enter the top 10 finishers from each tournament and let your players take advantage of all of our prize opportunities. Not running tournaments? We have an easy tournament structure with accompanying DVD that makes it simple for any poker novice to run a tournament. We can even help you find tournament directors.

* 12 month commitment required. All fees must be paid using an approved credit or debit card. 12 consecutive monthly payments, or account paid current as of the date of the yearly NPT Championship required for participation in the Championship.
