

Attention: Tournament Winners

Congratulations! By winning an NPT Tournament you are qualified to play in the monthly freeroll at Bodog. It's **FREE** and no deposit required!

Bodog Freeroll Requirements –

For a player to qualify for a monthly freeroll at Bodog the following actions must be completed by the end of that month (i.e. – the July freeroll will take place in August but all actions stated below must be completed by the end of July).

- 1)** Win an NPT nightly tournament.

- 2)** Register with Bodog through our site by clicking on the Bodog banner ad at playnpt.com. Download the software (if you haven't already). You must download the software to receive a screen name because the private freeroll reserves seats based on the account # we provide them and the screen name associated with that account.

- 3)** Enter your Bodog account number and screen name on your profile page at playnpt.com.

Be sure to check out our Events and Promos page at playnpt.com to find out about special tournaments and promotions available to NPT players through Bodog.
